Early Surecrop Hybrid

All-time All-America Selection for 1952

Does your catalog list this widely publicized Winner? If not, you can now obtain seed from 1952 crop for immediate delivery. Take advantage of the free publicity which will be in garden and home publications this coming spring!

Since its introduction as an AAS Selection in 1951 this Hybrid has been grown in every state of the U. S. and in many foreign countries. It is disease resistant, widely adapted, and you will have "Repeat" business on it. Write for free photographs and description.
